**who we are**

**At our core, we are  
dedicated growers, flower  
lovers, and committed  
advocates of open-  
pollinated seed.**

**get in touch**

**We offer full in-  
house support  
from harvest  
to packaging —  
with over 280 hectares  
of monitored seed  
production in France  
and the Netherlands**

Over 200 mixtures,  
tailored for your needs.

From the Bertrand legacy (est.  
1947), we create specialised mixes  
— from biodiversity blends to  
landscape and perennial  
collections.
